Guten Tag, Merch!

We're excited to share something new with our community — the ACFGC Merch Shop is now open!

Now you can show your love for German language and culture wherever you go. Our shop features a variety of fun German-inspired designs and logos, so you can choose the style that fits you best — whether you're a student, parent, alum, or supporter of the American Center for German Culture and German School Columbus.

We're also always looking for new ideas for designs and products.

If you have a fun German phrase, image idea, or merch suggestion, we'd love to hear it!

Every purchase helps support our programs and mission to build connections through community and culture while keeping our language and cultural programs accessible to everyone.

Browse the shop and find your favorite design!

Danke for supporting GSC!

Karneval here!!

GSC celebrated the joyful tradition of Fasching both at school and at Germania! Fasching—also known as Carnival—is a festive time in many German-speaking regions, known for costumes, music, games, and lots of fun.

In the weeks leading up to the celebration, students learned Fasching songs and traditions in class. They also created colorful balloon crafts that were shared at the Fasching celebration at Germania.

The following Saturday, the festivities continued at GSC with our own big Fasching party. Students came dressed in creative costumes and enjoyed music while playing balloon games, making crafts, and spending time together with friends over board games and other activities.

It was a wonderful celebration filled with laughter, creativity, and a great way for our students to experience this beloved German tradition together.
